**BED BATH & BEYOND INC.,**

**Defendant.**

No. 17 Civ. 5124

**DECLARATION OF TINA SUOJANEN**

I, Tina Suojanen, based on my personal knowledge of the facts stated herein, testify by  
Declaration as follows:

1. I am over the age of 18 and am otherwise competent to testify to the matters  
contained in this Declaration, and if so called, would testify to the facts below.

2. All of the statements in this Declaration are true and accurate to the best of my  
knowledge.

3. The facts set forth in this Declaration are based on my own personal knowledge.

4. I became employed by Bed Bath and Beyond Inc. ("BBB") in 1989 as a Cashier.  
Over the years I have held numerous positions with the Company. In 2015, I became the Vice  
President of Human Resources Operations which is my current role.

5. In my current capacity as Vice President of Human Resources Operations, I am  
responsible for supporting the field Human Resources personnel in associate relations and  
Human Resources services.

6. BBB employs over 45,000 employees across approximately 1,000 stores throughout all fifty (50) states.

7. BBB organizes its stores by region. There are seven (7) Regions covering various parts of the country: (i) Canada-Northwest; (ii) Central; (iii) Mid-Atlantic; (iv) Midwest; (v) Northeast; (vi) Southeast; and (vii) West.

8. Each of the seven (7) Regions is overseen by a Regional Vice President. Reporting to the Regional Vice President is at least one Regional Manager.

9. Each of the seven (7) Regions also has its own Human Resources function overseen by a Regional Human Resources Director, except for the Northeast Region which has two (2) Regional Human Resources Directors. Reporting to the Regional Human Resources Director are Regional Human Resources Managers.

10. The seven (7) Regions are further divided into 100 different Districts. Each District has a District Manager, who reports to the Regional Manager. Each District also has a District Human Resources Manager, who also reports to the District Manager with oversight by the Regional Human Resources Manager.

11. BBB differentiates between its stores by, among other things, sales volume.

12. One of the Company's highest volume stores is Store 42, which is in the Chelsea neighborhood of New York City. Store 42 employs approximately 325 employees, including approximately 7 Assistant Store Managers and approximately 20 Department Supervisors. The number of employees varies from time to time based on hiring or attrition.

13. Other very high volume stores typically range in size from 50,000 square feet to over 100,000 square feet and employ on average approximately 150 employees. Typically, a

very high volume store has anywhere from 2 to 6 Assistant Store Managers, 0 to 15 Department Supervisors, and 40 to over 150 hourly associates.

14. High volume stores typically range in size from 24,000 square feet to 80,000 square feet and employ anywhere from 50 to 80 employees on average, typically with approximately 2 to 4 Assistant Store Managers and 0 to 5 Department Supervisors.

15. Mid volume stores typically range in size from 18,000 square feet to 65,000 square feet and employ anywhere from 25 to 35 employees on average, typically with approximately 0 to 4 Assistant Store Managers and 0 to 4 Department Supervisors.

16. Low volume stores typically range in size from 18,000 to 28,000 square feet and typically employ approximately 15-20 employees, with 0 to 3 Assistant Store Managers and 0 to 3 Department Supervisors.

17. BBB's stores each vary in size, operation, and number of employees. The variances between stores are due to, among other things, regional variations, sales volume, and the local competitive environment.

18. Each store has a Store Manager, who is responsible for the operation of the entire store.

19. BBB has a decentralized structure. Local management (including Store Managers) possess a high level of independence and autonomy in how they run their stores.

20. BBB encourages local management and Store Managers to focus on changing trends in their geographic area and to tailor their stores' merchandise mix to the needs of the local customers.

21. Reporting to the Store Managers are Assistant Store Managers. The Company has two different types of Assistant Store Managers: Operations Managers and Merchandise Assistant Managers.

22. The job requirements for both Operations Managers and Merchandise Assistant Managers include: (i) directing the daily activities of Department Supervisors and hourly associates; (ii) training and development of staff; (iii) participating in interviewing and hiring of hourly associates; and (iv) counseling, disciplining, and assisting in terminations.

23. In addition to their general responsibilities described above, Operations Managers are also responsible for: (i) ensuring that area of the store where customers' purchases are transacted (referred to as the "front end") is operating according to proper procedures through management of staff; (ii) ensuring that the area of the store where merchandise is received and shipped out of (referred to as the "back end") is operating according to proper procedures through management of staff; (iii) performing and/or overseeing new hire associate orientations; (iv) processing of new hire/benefits paperwork; and (v) scheduling associates' shifts within the store.

24. In addition to their general responsibilities described above, Merchandise Assistant Managers are also responsible for the hourly associates who work on the store floor in the various departments. At any given time, the number of hourly associates working on the floor can range from 2 to 118, depending on the size of the store.

25. Since at least 2010, Assistant Store Managers in California became classified as non-exempt and are paid hourly. Assistant Store Managers in Alaska have always been classified as non-exempt and are also paid hourly. All Assistant Store Managers across the other 48 states are classified as exempt employees and are paid a salary.

26. Upon a preliminary review, BBB believes there are approximately 4,000 putative collective action or class members in the Assistant Store Manager class in over 850 stores nationwide, excluding California and Alaska.

27. Attached hereto as Exhibit 1 is a true and accurate copy of a table showing the stores in which the Assistant Store Manager Plaintiffs who submitted declarations worked in during the relevant time period compared to all other stores nationwide where putative collective action or class members worked.

28. Below the Assistant Store Manager position are Department Supervisors and Managers in Training. Prior to August of 2017, the primary position below the Assistant Store Manager was Department Managers. The Company no longer employs Department Managers in any of its stores.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 19 day of December, 2017.
